WE SERVE YOU

Whether you are looking to outsource your entire finance and accounting function, expand your existing team, or transform your current approach, Olsen Thielen can help. Our team will get to know your key goals and will work with you to implement them. Outsourcing some or all of your finance and accounting functions – from CFO to bookkeeper can immediately give you access to a wider range of skill sets and knowledge.

Olsen Thielen specializes in accounting, compliance, and consulting services that fit the unique needs of various organizations and industries. While we work with you to help **build your business**, we also want to relieve you of the burden of the daily accounting and payroll functions.

Our Business Accounting Solutions (BAS) group will take care of your accounting, payroll, and reporting needs. And the best part, it is on-line so you can access your information 24/7, 365 days a year from anywhere and it is “real-time” information. No matter what the financial need, we can help. We will be your trusted business advisor.
