## WE SERVE YOU

Olsen Thielen's Valuation Services Group provides services for the valuation of businesses and intangible assets. Our comprehensive valuation services include analyzing the economic, industry, and competitive environments in which our clients operate. We assess a company's financial strengths and strategic positioning to provide an insightful report that fully supports our opinion of value and provide a sound basis for decision making. We deliver reports that are conclusive, credible, and robust, and that will stand up to the scrutiny of litigation or the IRS.

The assumptions and methodologies used to value a business can vary greatly from one industry to the next. Our business valuation professionals have the experience and resources needed to accurately perform business valuation services across many different industries.

Our credentialed specialists are qualified to provide expert testimony, are certified by the American Institute of Certified Public Accountants (AICPA), the American Society of Appraisers (ASA), and have earned the Accredited in Business Valuation (ABV) and Accredited Senior Appraiser (ASA-BV) designations.
