WE SERVE YOU

The construction industry is characterized by tight profit margins, available work, demands on cash reserves, labor availability, and unique billing and compliance requirements, all of which can substantially impact your company's profits. We are committed to the growth and success of our clients by providing timely accounting, consulting, and taxation services that are designed to help build a more profitable and valuable business.

INDUSTRY EXPERTISE

Olsen Thielen helps construction contractors reach their maximum profit potential through comprehensive accounting services and innovative business advice, freeing you up to focus on what you do best. Whether you provide services to the commercial or residential sectors, our construction accounting specialists have extensive experience with all facets of your business, including project management, tax compliance, job costing, revenue recognition, bonding, information technology, employee benefits, and business succession planning.

CONSTRUCTION INDUSTRY-SPECIFIC CONSULTING SERVICES

Olsen Thielen has a staff of skilled professionals who have dedicated their careers to the construction industry. Business advisory services we provide to address your specific needs include:

- Audited/reviewed/compiled financial statements
- Tax planning, compliance, and advisory services
- Accounting method advisory, including accrual to cash conversions, percentage of completion, and completed contract accounting methods
- Business succession planning
- Business valuation
- Debt and equity financing
- Profitability enhancement
- Compensation planning
- Cost segregation
- Litigation support
- Business process improvement
- Financial advisory services
- Outsourcing/CFO/bookkeeping
- Staff search, hiring, and training

INNOVATIVE BUSINESS SERVICES FOR THE CONSTRUCTION INDUSTRY

Olsen Thielen provides more than just the traditional services many CPA firms provide. To ensure your construction company can generate profits and maintain positive cash flow, we go beyond that.

Employee Benefit Plans - Our pension and benefits professionals can take the guesswork out of designing and administering benefit plans that make you more attractive to quality employees.

Estate, Gift & Trust Planning - The experts at Olsen Thielen can help with all aspects of the estate planning process and preserve your wealth for your heirs. An estate plan allows you to direct how and to whom your assets will be distributed.
