WE SERVE YOU

Olsen Thielen's professionals are dedicated to working with and understanding all types of medical and healthcare businesses. We provide industry-specific support and guidance based on your organization's long-term goals and assist with strategic planning to support those goals.

In addition to our accounting and tax services, we provide support in revenue growth, operational management, and financial planning. We deliver a full slate of services designed to meet your unique needs. We always go the extra mile and embrace a forward-thinking approach to developing unique solutions that will help solve your toughest business and personal challenges. We are there for you beyond compliance needs to help you identify areas for improvement and educate you on new regulations and rule changes.

OUR EXPERTISE FOR PHYSICIANS AND MEDICAL CLINICS

Olsen Thielen professionals are highly experienced in the following areas:

- Primary care clinics
- Specialty care clinics
- Multi-specialty clinics
- Single-provider practices and employed physicians
- Benefit plan audits for clinics

SERVICES FOR PHYSICIANS AND MEDICAL CLINICS

Olsen Thielen works with individuals, business owners, and professionals to understand their goals. We then develop and implement strategies to help achieve those goals.
