WE SERVE YOU

We want to build long-lasting relationships with partners who understand your industry and its unique needs. As a professional services firm ourselves, Olsen Thielen understands the unique needs and areas of concern that our professional service clients face. You need advisors with the experience and resources you can rely on to offer timely, proactive advice on important issues to keep your organization compliant, competitive, and efficient. Our clients appreciate the fact that we are large enough to provide them with full-service expertise, yet small enough to provide them with timely, personalized service. Olsen Thielen's longevity and growth can be attributed to building strong relationships with our clients and earning their trust.

INDUSTRY EXPERTISE

Olsen Thielen serves over 150 professional service providers in the following specialized areas:

- Engineering firms and engineers
- Architectural firms and architects
- Information technology firms
- Financial advisory investment firms
- Consulting firms and consultants

SERVICES FOR PROFESSIONAL FIRMS

We provide a broad range of services including, but not limited to, accounting, audit, tax, business management, and consulting services. We understand that many things make your industry unique including flow-through tax structures, complex compensation, and bonus models, partner buy-out strategies, and increasing fee pressures. Our professionals work with you to understand your goals and then develop and implement strategies to help achieve them. Some of the specialized services we offer are:

- Compensation planning and bonus formulas
- Business entity selection
- Retirement and pretax benefits planning
- Business valuation
- Purchase and sale of your practice or business
- Buy-in and buy-out planning
- Bookkeeping and payroll services
- Deferred compensation planning
- Tax planning and preparation - business and personal
- Financial statements preparation - business and personal
- Estate, trust, and gift planning
