WE SERVE YOU

Olsen Thielen's Business Valuation and Transaction Advisory Services group provides business valuation services for a variety of needs and purposes, as well as transaction advisory support, both pre and post-close. Our comprehensive business valuation services include analyzing the economic, industry, and competitive environments in which our clients operate. We assess a company's strengths, strategic positioning, and competitive advantages to provide an insightful report that fully supports our opinion of value and provides a sound basis for decision-making. We deliver business valuation reports that are conclusive, credible, and robust, and that will stand up to the scrutiny of litigation or the IRS.

Our transaction advisory services range from strategic planning, pre-deal valuation support, working capital analysis utilized to set targets in a purchase agreement, to post-deal financial reporting support, etc.

Our credentialed specialists are qualified to provide expert testimony, are certified by the American Institute of Certified Public Accountants (AICPA), the American Society of Appraisers (ASA), and have earned the Accredited in Business Valuation (ABV) and Accredited Senior Appraiser (ASA-BV) designations.
