WE SERVE YOU

At Olsen Thielen, our professionals provide optometry clinics with the expertise and support needed to navigate today's industry challenges and achieve long-term success.

Beyond traditional accounting and tax services, we offer strategic guidance in revenue growth, operational management, and financial planning. Our full suite of services are designed to meet your unique needs. As your trusted accounting advisor we are there for to help you identify areas for improvement, stay up to date on new regulations and rule changes, and implement unique forward-thinking solutions for both your business and personal challenges.

OUR EXPERTISE FOR OPTOMETRISTS AND OPTOMETRY CLINICS

We have significant experience serving different types of optometry clinics:

- Private practice clinics
- Retail/corporate owned clinics
- Specialty clinics
- Multi-location and group clinics

SERVICES FOR OPTOMETRISTS AND OPTOMETRY CLINICS

Olsen Thielen works with individuals, business owners, and professionals to understand their goals. We then develop and implement strategies to help achieve those goals.

- Compensation models and bonus planning and consultation
- Retirement and benefits planning including maximizing pre-tax benefits for owners
- Purchase and sale of your practice including:
 - Evaluation and consultation regarding options
 - Due diligence
 - Deal structure and tax planning
- Buy-sell planning and protection for the practice and its owners
- Business valuations for estate, sale, or acquisitions
- Business entity selection for tax purposes
- Tax preparation and planning for owners and practices including income, payroll, sales, and MNCARE taxes
- Financial statement preparation for both business and personal
- Client Advisory Services (CAS) - recurring bookkeeping and financial reporting
- Deferred compensation plans for retirement owners
