

Accounting For CONSTRUCTION CONTRACTORS

"The Olsen Thielen team is very easy to work with and frames information so it can be easily understood. They don't tell us what we need to do, but WHY we need to do it."

Jim Soderberg, President
Soderberg Apartment Specialists

We Understand You

The construction industry operates under tight margins, cash-flow pressures, labor shortages, and complex compliance demands, all of which affect profitability. Olsen Thielen partners with contractors in both the commercial and residential sectors, delivering timely accounting, consulting, and tax services to strengthen and grow their businesses.

Our specialists bring deep industry expertise in project management, job costing, revenue recognition, bonding, tax compliance, employee benefits, and succession planning, helping you maximize profit potential while focusing on what you do best.
