

Accounting For LAW FIRMS

Industry Expertise

Because we work closely with law firms, we pair financial, tax, and consulting expertise with a deep understanding of your practice. Our professionals are highly experienced in the following areas:

Single-attorney law practices

Multi-state, staffed legal organizations

Specialty-service practices

Full-service law firms with multiple practice areas

We Understand You

Building a successful law firm requires trusted advisors who understand the complexities of your profession. At Olsen Thielen, we specialize in the financial and operational challenges unique to law firms and attorneys. From multistate operations and partnership transitions to cash flow management and planning for future growth, we provide the insight and strategic guidance you need to move forward with confidence.

Since 1921, Olsen Thielen has been serving law firms in the Twin Cities and has grown to become one of the top CPA and consulting firms in Minnesota.
